

BLACK EDITION

Your product in COSMOS BLACK (83) seems faded?

The Cosmos Black finish is an extremely weather resistant powder coat that provides durability in exposure to the elements. Discolouration is due to environmental pollution and small atmospheric dust particles.

To restore the product follow 3 simple steps:

Mix warm water with a little

1

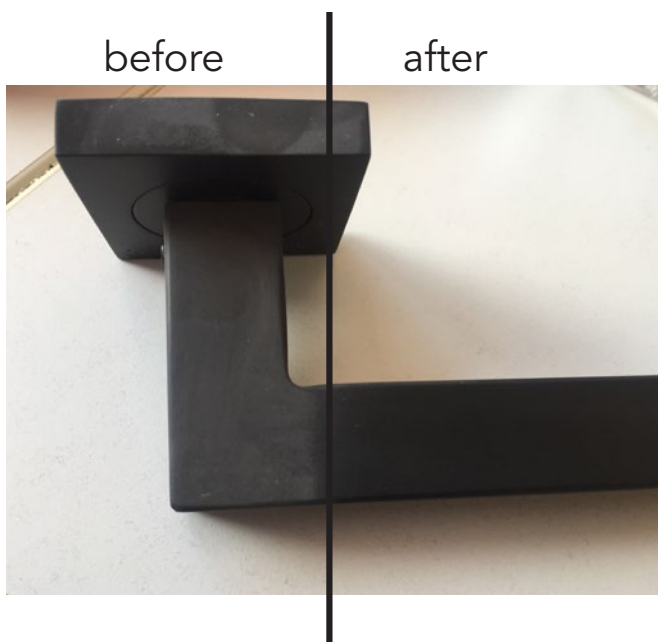

Take a soft cloth and moisten
with the dish soap solution.

2

Rub carefully over the
product and remove the dirt
from the surface.
